

List of courses for exchange students

IMPORTANT INFORMATION

- Please note that the selection of courses in the Erasmus+ application is *preliminary* and you will be required to enrol the courses in our university system upon your arrival.
- We reserve the right to make changes in the availability of courses.
- **It is possible that students will not be able to enrol in all courses that they have in their learning agreements after they arrive at our faculty. The reason can be a full capacity of a course, not reaching the minimum capacity of a course or a timetable conflict. Therefore, we highly recommend choosing 1-3 "back-up courses" from the list, which could be recognized at students' home institution in case some of the courses from students' learning agreement were not available.**

Winter Semester

Dept	Code	Title of the course	ECTS	Teacher
KAS	@GYM	Gymnastics	2	Martina Poláková
KAS	@TESP	Team Sports	5	Pavel Háp et al.

KSK	@ELI1	English for International Students 1	3	Jitka Martincová
KSK	F@IDS	International Dimensions in Sport Sciences, Recreation, and Physiotherapy	3	Jitka Martincová

* The course APA Winter Camp is held every year in a period between mid-January and end of January. Additional payments are needed for this course (accommodation and meals in the mountains, ski pass, transportation to the mountains etc.). The course is not suitable for complete beginners; at least basic skiing/snowboarding skills are presumed.

* Do not enrol in this course if you are a complete non-swimmer! Students can improve their technique and learn new swimming styles, but they must be able to swim without problems before enrolling.

Summer semester

Dept	Code	Title of the course	ECTS	Teacher
KAT	@DISS	Disability Sports	3	Daniel Mikeška
KAT	@SEDS	Special Education and Disability Studies	3	Julie Wittmannová
